

## **NUECES COUNTY HISTORICAL SOCIETY**

**PRESENTS**

**Allan Hayes**

**“Corpus Christi Collectibles”**

**Tuesday, October 3, 2023, 7:00 p.m.**

**First Presbyterian Church, 430 S. Carancahua Street, Corpus Christi**

Two-time NCHS Past President Allan Hayes has lived in south Texas since 1975. He spends his free time enjoying a wide-variety of hobbies, but history and genealogy are two of his greatest passions. Sometime in the mid-80s he began purchasing old Corpus Christi postcards, and shortly afterward expanded his collecting to include other souvenir items and memorabilia from the city and surrounding area.

Allan’s presentation will be an overview of the things he collects. These Corpus Christi-related items cover a wide-variety of materials. Many are keepsakes people of yesteryear acquired to help them remember the locations they lived, worked, and sought recreation and the landmarks associated with those places. Come see what memories these treasures might help you recall!

**Harriet Tillman, retired teacher, presented the September program. Many influential female teachers have graced the halls of Corpus Christi schools. Several schools in CCISD are named in honor of those special teachers. **NCHS Mission Statement-The Nueces County Historical Society is a 501©3 multi-cultural organization which encourages a deeper understanding and appreciation for the rich history of Nueces County, the Coastal Bend of Texas, and the United States of America, by members and guests of all ages. It accomplishes this through hosting regularly scheduled presentations with interesting speakers, sponsoring special events, and leading preservation efforts for the area sites of historical significance.**

The marker for the U.S. Coast Guard on Mustang Island was demolished during hurricane Harvey in 2017. A replacement marker was ordered and rededicated on September 20. The marker is located at Robert's Point Park in Port Aransas. The ceremony was held in conjunction with the 207<sup>th</sup> monthly partner event of the Texas Tropical Trail Region.
